

MIDWESTERN UNIVERSITY Comprehensive Care Clinic Central Phoenix

Important: Please confirm your insurance is accepted when making your first appointment. Se Hablo Español.

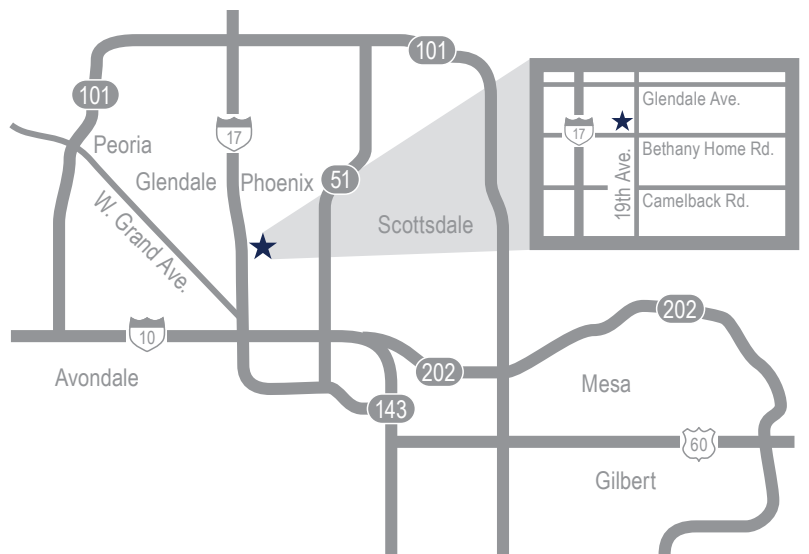

*When entering off 19th Avenue, go past the main hospital entrance and the doctor's parking lot, then turn right to reach the new location. You may also enter off 21st Avenue and go directly to the Comprehensive Care Clinic parking lot.

PRIMARY CARE PHYSICIANS

If you currently do not have a primary care physician (PCP), you can be seen by our team of PCPs here at Comprehensive Care Clinic. We can provide primary care services for anyone from infants to seniors. Our PCPs will follow up with your treatment after you are discharged.
