

# Effectiveness in Meeting PA Program Goals

## Goal #1: Recruit, matriculate and retain a class of highly qualified students

Benchmark	Data Source	Data Results August 2025	Data Analysis August 2025
75% of matriculants with a Science GPA of 3.5 or higher	Admissions Data	Class of 2026: 100% of matriculants with a Science GPA of 3.5 or higher	Benchmark Met
75% of matriculants with at least 500 hours of Patient Care Experience (PCE)	Admissions Data	Class of 2026: 96.5% of matriculants with at least 500 hours of Patient Care Experience (PCE)	Benchmark Met
< 6.4% attrition for any reason	Cohort Attrition Data	Class of 2026: 8.13%. 0% attrition due to academic dismissal.	Did not Meet Benchmark
MWU PA program faculty presentations (minimum 4 per academic year) given to undergraduate institutions or high schools	Program Data	Five MWU PA program faculty presentations given to undergraduate institutions or high schools	Benchmark Met

## Goal #2: Provide a comprehensive and evidence-based curriculum that prepares graduates for entry-level practice

Benchmark	Data Source	Data Results August 2025	Data Analysis August 2025
1st time PANCE pass rates at or above the national average	NCCPA PANCE report	Class of 2024 PANCE Pass Rate of 96% (92% National Average)	Benchmark Met
85% or more graduate respondents strongly agree (SA) or agree (A) with achievement of this goal on the New Graduate Evaluation of Program Survey	New Graduate Evaluation of Program Survey	Class of 2024: Effectiveness of didactic curriculum in preparing graduates for entry-level practice = 96.3%. Effectiveness of clinical curriculum in preparing graduates for entry-level practice = 88.89%	Benchmark Met

<b>Benchmark</b>	<b>Data Source</b>	<b>Data Results August 2025</b>	<b>Data Analysis August 2025</b>
85% or more graduate respondents strongly agree (SA) or agree (A) with achievement of this goal on the 3-year Graduate Evaluation of Program Survey	3-year Graduate Evaluation of Program Survey	New program goal: Not Applicable to Class of 2021	Not Applicable
The majority of principal faculty strongly agree (SA) or agree (A) with achievement of this goal on the biannual Faculty Evaluation of Curriculum and Administrative Aspects of Program and University Survey	Faculty Evaluation of Curriculum and Administrative Aspects of Program and University Survey	100% of faculty surveyed strongly agreed or agreed with achievement of this program goal (2025 survey)	Benchmark Met

**Goal #3: Foster a culture of service and provide students and faculty with opportunities to engage with their communities and the medically underserved**

<b>Benchmark</b>	<b>Data Source</b>	<b>Data Results August 2025</b>	<b>Data Analysis August 2025</b>
≥ 75% of students participate in a one or more in-person volunteer or service-learning session over the course of the program	Student Volunteer/Service Learning Tracking Document	51.2% of students (Class of 2025) participated in a one or more in-person volunteer or service-learning sessions over the course of the program	Did not Meet Benchmark
≥ 75% of principal program faculty participate in at least one in-person volunteer or service-learning activity with PA students on an annual basis	Faculty Volunteer/Service Learning Tracking Document	Academic Year 2024-2025 80% of principal program faculty participated in at least one in-person volunteer or service-learning activity with PA students	Benchmark Met

<b>Benchmark</b>	<b>Data Source</b>	<b>Data Results August 2025</b>	<b>Data Analysis August 2025</b>
85% or more graduate respondents strongly agree (SA) or agree (A) with achievement of this goal on the New Graduate Evaluation of Program Survey	New Graduate Evaluation of Program Survey	Class of 2024: 70.37% of respondents strongly agree (SA) or agree (A) with achievement of this goal on the New Graduate Evaluation of Program Survey	Did not Meet Benchmark
85% or more graduate respondents strongly agree (SA) or agree (A) with achievement of this goal on the 3-year Graduate Evaluation of Program Survey	3-year Graduate Evaluation of Program Survey	New program goal: Not Applicable to Class of 2021	Not Applicable
The majority of principal faculty strongly agree (SA) or agree (A) with achievement of this goal on the Biannual Faculty Evaluation of Curriculum and Administrative Aspects of Program and University Survey	Faculty Evaluation of Curriculum and Administrative Aspects of Program and University Survey	80% of faculty surveyed strongly agreed or agreed with achievement of this program goal (2025 survey)	Benchmark Met
