#### About Midwestern University's Speech-Language Institute

Midwestern University is a teaching facility; therefore, therapy will be provided by graduate-level clinicians and supervised by a certified and licensed speech-language pathologist. Each participant will be paired with a graduate student clinician in order to provide consistency and 1:1 supervision/support.

We provide a full range of speech, language, and swallowing services for individuals with communicative disorders. As an educational facility for graduate students entering the field of speech-language pathology, the Institute maintains high standards in its delivery of comprehensive evaluations and therapy. The Institute serves persons of all ages, from infants to senior citizens.
